Sun Splash Pools & Spas Ludlow, Ma Receives Gold Award in 2012 APSP International Awards of Excellence Competition

New Orleans, LA. – Sun Splash Pools & Spas won the prestigious Gold Award in the Pools with a Vanishing Edge category during the Association of Pool & Spa Professionals' International Awards of Excellence ceremony held on Monday, November 5, 2012 at Generations Hall, in New Orleans, Louisiana.

The Ludlow based company received the GOLD Award for its installation in Longmeadow, Ma. The winning entry required an unusual level of creativity and quality workmanship. The unique features included, 60ft slide, granite in pool table & stools, underwater speakers, grotto and the 22' vanishing edge.

Hundreds of installations were entered in the 2012 APSP International Awards of Excellence competition. During the ceremony fifty-two builder-companies were

announced as award recipients. There were thirty four categories represented in total including six categories outside of the US and Canada.

“The APSP International Awards of Excellence competition is a tradition honoring the world’s premier pools, spas, hot tubs and water features,” said APSP President and CEO Bill Weber. “The winning installations demonstrate the beauty, desirability and fun of water in people’s lives, and we’re proud our members are reflecting success through this recognition.
